

5. TECHNOVA 2026 – College Event Registration Website

Overview

TECHNOVA 2026 is a responsive college technical symposium website designed in **Figma**. It allows students to view events, read event details, register, and receive registration confirmation.

Pages

- **Home** – Event information, date, venue, and Register button.
- **Events** – Technical events with descriptions and registration options.
- **Event Details** – Rules, eligibility, schedule, and registration.
- **Registration** – Student details and selected event.
- **Confirmation** – Registration ID, event, date, and confirmation message.

Figma Features Used

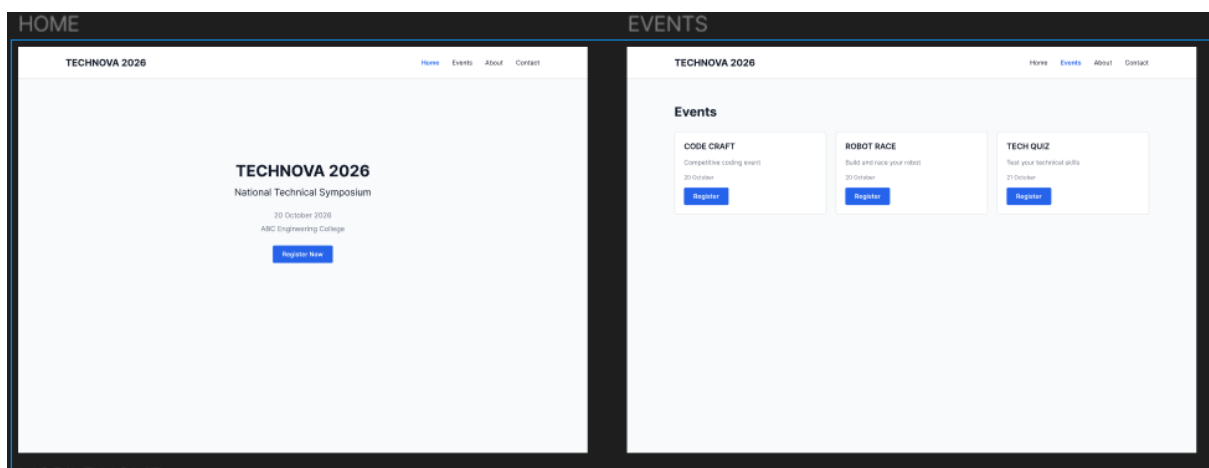

- Responsive desktop and mobile layouts
- Auto Layout
- Components
